[Hp Deskjet 2540 Manual For Mac](#)

HP DeskJet 3700 All-in-One series

Get started

1. **Prepare**: Follow the instructions in the setup flyer to begin printer setup.
2. **Connect**: Visit **123.hp.com/dj3700** to download and run the HP setup software or mobile app, and connect the printer to your network.

   Note: The HP All-in-One Printer Remote app is available on an app store.

   Note for Windows® users: You can also use the printer software CD. If the installation program does not start, browse to **Computer**, double-click the CD/DVD drive icon with the HP logo, and then double-click **setup.exe**.
3. **Activate:** Create an account or register your printer and finish installing the HP printer software or HP All-in-One Remote app so you can print and scan.

Need help? Visit **hp.com/support/dj3700** to get more information about how to set up your printer.

Learn more

Electronic Help: It is available after you install the HP printer software on your computer. Learn about product features, printing, troubleshooting, and support. Find notices, environmental, and regulatory information, including the European Union Regulatory Notice and compliance statements, in the Technical Information section.

- **Windows® 10**: Click the Start button, select **All apps**, select **HP**, select the icon with the printer name, click **Help**, and then click **Search HP Help**.
- **Windows® 8.1**: Click the down arrow in the lower left corner of the **Start** screen, select the icon with the printer name, click **Help**, and then click **Search HP Help**.
- **Windows® 8**: On the **Start** screen, right-click an empty area on the screen, click **All Apps** on the app bar, select the icon with the printer name, click **Help**, and then click **Search HP Help**.
- **Windows® 7**, **Windows Vista®**, and **Windows® XP**: Click the Start button, select **All Programs**, select **HP**, select the folder for the printer, and then select **Help**.
- **OS X Yosemite v10.10** and **OS X El Capitan v10.11**: Click **Help** > **Mac Help**. In the Help Viewer window, type your printer name in the search field.
- **OS X Mavericks v10.9**: Click **Help** > **Help Center**. In the Help Viewer window, click **Help for all your apps**, and then click **the Help for your printer**.

Readme: Contains HP support information, operating system requirements, and recent printer updates.

- Windows: Insert the software CD in your computer, and then browse to the **ReadMe.chm** file. Double-click **ReadMe.chm** to open, and then select the **ReadMe** in your language.

On the Web: Additional help and information: **www.support.hp.com**. Printer registration: **www.register.hp.com**. Declaration of Conformity: **www.hp.eu/certificates**. Ink usage: **www.hp.com/go/inkusage**.
